PATHWAYS

Awesome Organs

Fiction

Imagine that you are a camera that is so small that you could explore your body from the inside! Write about exploring one organ – what do you see, hear, or feel?

PATHWAYS

Awesome Organs

Informational

Design a poster to tell people about one of your organs. Include a title and a picture of the organ, some important ideas and some interesting details.

Awesome Organs

Letter writing

Write a letter to a friend who has been sick in bed for some time, but is now getting better (Yay!). Suggest things they can do to get stronger, and back to living a healthy life.

Awesome Organs

Opinion

Which organ do you think is the most amazing? Write an article explaining what this organ does, and why you think it's so important.

Awesome Organs

Research

There are 79 organs in your body – that's many more than were mentioned in this book! Find out about an organ that isn't in this book … What's it called? Where is it? What does it do?
