PATHWAYS

On the Move

Fiction

Imagine that you live on Christmas Island. Write a story about how your life changes each year when the red crabs migrate.

PATHWAYS

On the Move

Informational

It can be dangerous to migrate. Write a summary of the dangers that the animals in this book have to face when they migrate, and what they can do to stay safe.

PATHWAYS

On the Move

Letter writing

Find out about an animal that migrates near your hometown. Write a letter to your local representative to tell them about this animal, and why it's important.

PATHWAYS

On the Move

Opinion

Salmon need clean rivers, but people use rivers too – for example, they use the water on farms, and build power stations. Is it okay to change a river even if that might harm animals? Write an essay explaining your opinion.

PATHWAYS

On the Move

Research

Find out more about the monarch butterfly. Draw a map showing how it migrates, write a description of what it does, and draw its life cycle.
