

Your 5 senses are:
seeing, hearing, smelling,
tasting, and feeling

Visualizing

- 1 Read a chapter of the text.
- 2 Choose part of your reading to picture in your mind, using all 5 of your senses:
 - What can you see?
 - What can you hear?
 - What can you smell?
 - What can you taste?
 - What can you feel?
- 3 How did visualizing help you to understand better what was happening in the text?
- 4 Which types of books or stories can you think of that would be really helpful to visualize while you read them?
