

## Using the glossary

- 1 The glossary is a list of words, and their meaning, at the end of the book to help you learn what they mean.
- 2 Read a chapter of the book – WAIT, and when you get to a **bolded** word, flip to the back of the book, find the word in the list and read the meaning.  
Okay – now, read a chapter!
- 3 Answer the question in the box below: Why do you think glossaries are helpful?
- 4 If there's a word you don't know the meaning of, and you've checked the glossary already, what are some ways you find out the meaning?

"If you can't find a tricky word in the glossary, you can try looking it up in a dictionary."
